Albury High School Strategic Plan parent survey 2008.

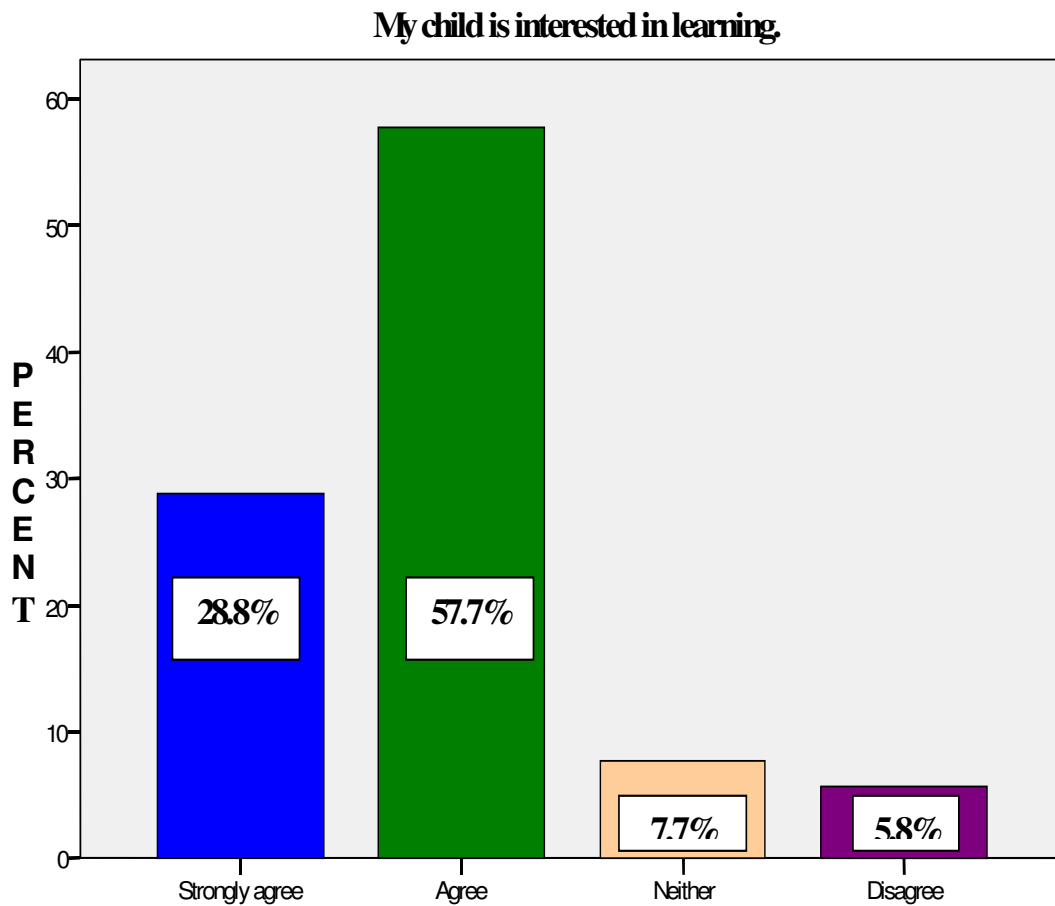

Albury High School Parent Survey 2008.

**Methodology.**

All parents/guardians invited to complete a survey. 52(n) parent's returned a completed survey. Survey was distributed by inclusion in the Grapevine newsletter, followed by reminders included in the preceding newsletters, followed by a second distribution. 24 question's calculated nominal Likehert, 1 – 5, 1=strongly agree, 2=agree, 3=neither, 4=disagree, 5= strongly disagree. Survey's have been numbered according to data input for auditing purposes. Ambiguous answers all entered in the closest answer towards the neutral (neither=3) Blank results input excluded pairwise. The survey analysis assumes results reflect the population .

### My child is interested in learning

**A positive result.** Of 52 participants all answered the question. 45 participants (n) or 86.5% responded in the positive. No strongly disagree recorded. Parents generally seem to believe their children are interested in school.
