Term 4 is a busy time with assessments being finalised and many significant celebrations. On Tuesday we had the Year 12 Graduation Ceremony which was well attended by parents and friends. Many thanks to the P&C and canteen for the excellent catering. Last night, Wednesday, was the Graduation Ball for Year 12 and tomorrow Albury High School is hosting the Proud and Deadly Awards for all Indigenous students within the area. I would like to thank all in advance for their contributions.

Work on the school management plan for 2015-17 continues. We are considering a vision statement which we feel captures the school’s ethos. It is:

“Learning for All through Innovation, Tradition and Excellence”

As a proud comprehensive high school we value diversity and want all students to achieve their best, hence the ‘learning for all’ component (including targeted and quality learning for staff). Innovation, Tradition and Excellence is recognition of the current school mission statement but these terms and their meaning will be restated for today’s context and what we want to achieve in the future. This process is being worked on at the moment. From this we will develop three strategic directions to work on, to ensure we are meeting the vision of Learning for All.

To assist with this, in the next few weeks, a survey will be emailed to all parents as part of the consultation. The P&C and School Council are also involved in representing parent views. As always, if you wish to contribute you can send comments to our school email address.

Principal

YEAR 12 GRADUATION 2014
Last Tuesday 11th November, saw the Graduation Ceremony for the class of 2014. We invited an ex-student David Koschitzke who graduated in 1978 to speak to the group. He shared some of his life advice to those assembled. Several themes emerged from the address: serving the community, meeting life’s challenges by identifying them and working on a plan of action, that great things can be achieved if you put your mind to it using the examples from his year 12 cohort of Brad Jones and Richard Roxburgh.

Mr Bruce Jackson, the year 12 student adviser, spoke of the many achievements of the group. Mr Guy Lewis, who left the school for a promotional position at the beginning of 2014, was invited to speak at the assembly and the success of the year 12 cohort is testament to both his and Mr Jackson's efforts over the six years. Mrs Harriss, acted as Year Adviser when they were in year 8, so the group have had many people contributing to their success.

Erin McDonald of year 11 spoke on behalf of the student body and the school captains, Imogen Brooks and Dylan Harris both gave terrific speeches in response to Erin’s and Mr Ward’s speeches. A great celebration of the achievements of this fine group of young people.

The Graduation Ball was held at the Albury Convention Centre on Wednesday 12th November and was a great success. My thanks to Mrs Johnson for her assistance in the organisation of the event.

One of the highlights of teaching is seeing the maturation of students over their secondary schooling experience and the class of 2014 is no exception. They are a credit to themselves, their families and their school. Well Done!

YOUTH ALBURY WODONGA LEADERSHIP PROGRAM
One of our students, Subash Poudyel was recently interviewed and selected to be part of a leadership program run by Youth Albury Wodonga. The program involved a 2 day camp at Greta South followed by a 10 day camp at Mittagundi. Subash graduated from the program with a ceremony at La Maison restaurant last week. Subash should be congratulated on being selected and completing this program which he thoroughly enjoyed.

Here is a report written by Subash
It was an awesome journey for 10 days with 20 other kids who I didn’t really know at the beginning of the camp. It was a new life experience for me and the 20 other kids. We had a lot of fun. We would wake up in the morning, milk the cows, work on the farm all day and we would thank everyone for their help with the farm work or anything that we did.
We also did rafting, abseiling and overnight hiking for two days. I really enjoyed being part of a family that was focused on working together to achieve our goals. We weren't allowed to give up on anything and we had to keep pushing ourselves and helping each other. This was an experience that I will never forget in my life.

VICTORIAN ALL SCHOOLS ATHLETICS CHAMPIONSHIPS

Year 7 student, Jackson Whiley, competed at the Victorian All Schools Athletics Championships held over the weekend in Melbourne. Jackson represented Albury High School as an invitational athlete. He had a great result in the 100 metre hurdles against some stiff competition, obtaining the bronze medal in what was a close race, with only tenths of a second separating him from the gold medal at the finish line. More impressive was the time he ran it in. He ran an automatic qualifying time enabling him to run at the Australian National Championships.
